

# THE GREAT SCRIPTURES: "MICAH 6:8"

**Do Justice, love Mercy, and Walk Humbly with God is one of simplest synopses of the Christian faith. What do each of these mean and how do I do them?**

## First Step

Micah 6:8 (Sermon Text)      Proverbs 3:3-6  
Deuteronomy 10:12-13

## Step In

Who, in your life, has shown you mercy?

God has shown us what is good. What are some examples of doing good?

## Step Up

A common activity in group-building training is having a person fall backward into the arms of another person. This is a lesson in trust.

- According to the scriptures in Deuteronomy and Proverbs, why is trust necessary?
- Recall a time in your life when trust was challenged.

## Step Out

Justice, mercy, and humility are the key words in this week's sermon and scripture text.

- How does one, or more, of these qualities, challenge you?
- What do you see as your particular duty or obligation to address this challenge?
