

Anona Child Development Center Homework Agreement

Dear Homework Room Parents,

This homework agreement gives us more accurate information about your preference for your child's participation in homework room. The guidelines for homework room are listed below and will provide information about the procedures your child will follow while participating in homework room.

Homework Room Guidelines:

1. Participation in the Homework Room is a privilege.
2. The Center Staff will provide supervision and assistance. NOTE: We cannot accommodate tutoring or checking of homework. If your child should need a tutor we have a few tutors we can recommend. This would be at your expense. The information regarding tutors is available in the office.
3. It is your child's responsibility to comply with the Center Staff directions when it is time for homework room.
4. Homework Room Rules are posted and explained by the Center Staff. Additionally, students will read these aloud to the homework room participants to refresh understanding should the Center Staff determine there is a need for review.
5. Please supply your child with pencils and notebook paper so they can complete their homework.

_____ I have read and understand the homework room agreement and guidelines.

I want my child to go to homework room:

_____ Everyday (Monday - Thursday)

_____ It is optional.

_____ My child does not need to participate at all.

Parent Signature _____

Date _____

Child's Name _____
